

AMENDMENT TO THE SPECIFICATION

On page 1, at col. 1, before line 7, please delete the paragraph submitted in the Preliminary Amendment filed with this case January 10, 2001, and add the following paragraph:

Cross-Reference to Related Application

b1 This application and Reissue Application Serial No. 08/986,327 (now U.S. Patent No. RE37,552, issued February 19, 2002) are both reissue applications for U.S. Patent No. 5,473,526, issued December 5, 1991. This application is a continuation of U.S. Patent No. RE37,552.

[This is a continuation of copending U.S. patent application Serial Number 08/986,327, filed December 5, 1997, which is a reissue of U.S. Patent 5,473,526, which issued December 5, 1995, and application Serial Number 231,637, filed April 22, 1998.]
